EITC is a federal tax refund for working people and families that meet certain eligibility requirements.

The EITC is not a City of Philadelphia program, but because it offers refunds for so many Philadelphians, the Department of Revenue is helping to raise awareness.

Of the 226,300 Philadelphians who could receive a refund, over 43,000 have not applied—leaving almost \$107 million on the table. It's worthwhile to apply—the average refund is about **\$2,500**. If this is your first time filing for EITC, you can get refunds for 2018, 2019, and 2020.
